CATALOG 652

MASTER COPY Type

Master copy type is the name given to brass templates from which letters or numerals can be reproduced in 15 sizes by the New Hermes Engravograph.

Select any alphabet you like best according to style or engraving size to be obtained.

Each set will be delivered in a substantial wooden box for easy selecting and filing.

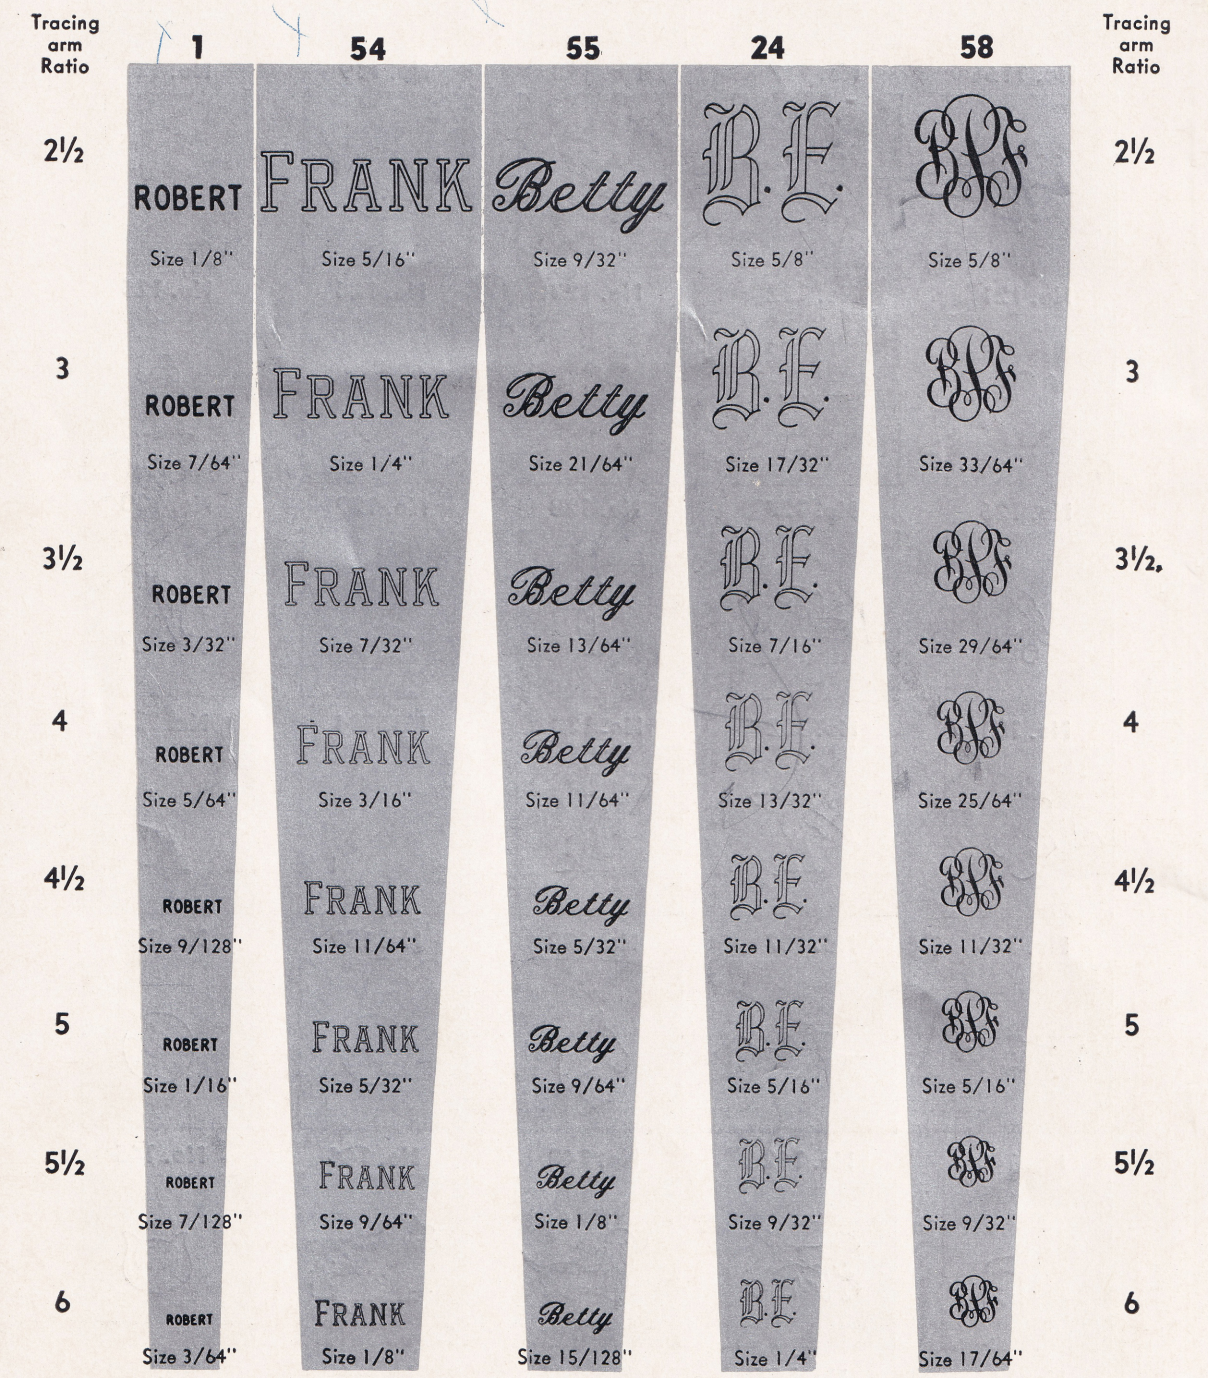
IMPORTANT

All alphabets illustrated on the preceding pages of this folder are shown actual size when engraved with a ratio setting of 1:5.


The multi-ratio tracing arm on the machine engraves from ONE master alphabet a great variety of other sizes at will—some of which are shown below.
